

## Bundled Payments for Care Improvement (BPCI) Advanced Annual Check-in Questionnaire

[illegible]

1

1

### Purpose:

Participants' activities and barriers related to designing and implementing the BPCI Advanced Model

### Instructions:

[illegible]

- 

The diagram consists of three horizontal rows of colored squares. The top row contains several blue squares, some labeled 'D', and several red squares, some labeled 'r'. The middle row contains blue squares labeled 'd' and red squares labeled 'R'. The bottom row contains blue squares labeled 'D' and red squares labeled 'r'. Horizontal lines connect some squares between adjacent rows, suggesting interactions or pairings.

## CEHRT Use

1. *To meet this criterion, at least 75 percent of eligible clinicians in each participating APM Entity group, or each hospital if hospitals are the APM Entities, to use CEHRT to document and communicate clinical care.*

## Partner Agreements

1. **Definition:** A **Discrete-Time Signal** is a signal that is defined only at discrete intervals of time. It is represented by a sequence of values, often denoted as  $x[n]$ , where  $n$  is the discrete time index.

4.

[illegible]

Diagram illustrating the structure of a DNA sequence. The sequence is represented by a horizontal bar divided into segments. The segments are labeled with letters: D, r, d, r. The segments are color-coded: D is blue, r is green, d is red, and r is green. The segments are arranged in a sequence: D, r, d, r. The segments are connected by lines, indicating a continuous sequence.

2. I selected 'Yes' to the question, 'Do you agree to participate in the study?' and I understand that my participation is voluntary. I understand that I may withdraw from the study at any time without penalty or consequence. I understand that my participation in the study is confidential. I understand that my participation in the study is for my own benefit and the benefit of the community. I understand that my participation in the study is for the purpose of research. I understand that my participation in the study is for the purpose of improving the health of the community. I understand that my participation in the study is for the purpose of improving the health of the community. Additional information is located under Article 13 of the [Participation Agreement](#).
